Group Leader:

We want to continue to invite your group back every year. Please make sure that every chaperone understands their responsibilities by giving each of them a copy of the following.

## Group Chaperone Rules

You have volunteered to chaperone your group to come visit Kehler's Gymnastics Centers. This is a very big responsibility! We provide Groups with large discounts with the understanding that the following guidelines will be strictly enforced. Please notify your group leader immediately if you are unable or unwilling to cheerfully and actively participate in any of the following activities:

1) Follow directions from KGC staff.

**If you have issues with authority, please ask to be excused from this responsibility now so your group leader has time to find a cooperative substitute. KGC staff are in charge while you are in the facility.**

Your visit here is for a prescribed period of time. That time includes the time required for changing shoes, explaining rules to chaperones & kids, etc. We will not extend your visit time if the adults' lack of cooperation or participation delays the beginning of activity time.

Failure to follow any directions given to you by KGC staff may result in the entire group being asked to leave w/o refund.

2) Actively assist supervision of the children. Chaperones must be on their feet, not seated on the sidelines.

3) You may be required to wear socks. Bring them with you.

4) Assist your group with their shoes or clothing & clean up table area.

5) If you wish to bring siblings, get permission from the group leader first. You may be required to pay separately for them.

6) Leave valuables, purses, food, beverages, etc. at home.
