## DO NOT print until you READ this page.

All Permission Form Signatures must be witnessed by Kehler's Gymnastics Center Inc. Adult staff over 18 years of age.

This form is only here for those who wish to have it **NOTARIZED** in place of the KGC witness.

**We do NOT suggest that you notarize** the form, but rather that parents **come to the gym** 15 minutes before your first day at KGC.

(Or if necessary, at another time when our office is open).

**Do not** fill out this form ahead of time to bring with you. We will give you a form on card stock.

### Directions for those who wish to use a notarized form:

a. Fill out all appropriate information.

*The PINK box requires parents to read carefully and INITIAL some places and leave some BLANK. Please call us before completing this section and speak to a MANAGER so you only need to do this once.*

b. Read the front and back of the form and sign on the "Parent/Guardian signature" lines.

*Legal Guardian must attach the court document.*

c. Have a notary public notarize the form on the "Witness signature" line. (Max. Charge \$2 by PA law)

d. Make sure the completed form is delivered back to the gym before the day of the first class.

## ***NO REFUNDS (except as listed in #1)***

1 Refund/Credit Policy: RISK FREE FIRST CLASS: Refunds will be mailed to the parents of Brand NEW students, never before in our programs, who are displeased with the program. They must fill out a refund request and have it signed by the gym manager within 48 hrs. of the 1st class. Refunds will be mailed in 10-14 days. No refunds to anyone who applies more than 48 hrs. after taking their first class ever at Kehler's Gymnastics. There will be no refunds for deposit monies: only class fees & Annual Registration Fees will be refunded. No refunds on Camps. ("RISK FREE" of course refers to monetary risk and in no way implies that there is no risk of personal safety, as described on permission form.)

Credit Slips will be given to the parents of children who have prolonged (3 weeks or more) serious illness or injuries starting with the date that a Credit Request Form is in our hands. No retroactive credit will be given for classes missed before we have this form, a doctor's note is required. Credit slips may only be used by the same child or a sibling and must be used within 6 months of the date issued. A doctor's note and a KGC wellness test is required to return to class.

2. Our Generous Make-up Policy: Missed classes must be made up during your eight week session. Never send a child to the gym without reservations. Our staff is not permitted to allow unscheduled students into class so be sure to make a reservation about a week ahead of time. We will try very hard to find a makeup class that fits your schedule, but we cannot be held responsible if you are unable to attend any of the classes that have room available. Use thought before scheduling a makeup because ONCE A RESERVATION IS MADE IT CANNOT BE CHANGED FOR ANY REASON, regardless of whether or not the child is able to attend the makeup lesson. Once a new session starts, all unused makeups from the previous session will not be honored. It is very difficult to schedule a make-up lesson the last 2 weeks of a session, so please do not procrastinate. Only 2 makeups are permitted for missed summer classes because of limited space. Missed days of Day Camp cannot be made up.

3. No siblings, friends, or spectators permitted in the gym area. Please do not leave unattended minors in our facility. All items left in the facility will be placed in the "Lost/Found" only. We are not responsible for items left at the gym or for shoes, etc. lost in the pit. Please do not enter gym for any reason unless escorted by a staff person.

4. Clothing: No street shoes, gum, or jewelry in the gym at any time. We require that all Tumble Tyke students purchase our special TUMBLE TYKES- SHIRTS which we sell at about cost. We will place their name on the shirt & kids should wear them each week! All gymnasts can wear shorts and a t-shirt or leotards without tights or skirts. No belts, zippers, pockets, skirts, shorts, or wire rim glasses. Finger nails not past the fingertip. Please tie long hair out of eyes. No hats, caps, scarves, or hard hair ties please. Footwear: Gym shoes are recommended for safety and hygiene. We permit bare feet. We sell a good nylon and rubber starter shoe available at the gym. All gymnastics shoes must have a thin rubber sole.

5. 15-35 month classes: Only one adult/child permitted in class. Adults are not permitted to go into pit, bounce on trampolines, or use any of the gymnastics apparatus, or to wear shoes in the gym. Any spectator under 18 yrs. must be supervised in the balcony or lobby by an adult not participating in the 15-35 mo. class (this includes infants). If you bring unsupervised children to a class, including infants, you will not be permitted to participate.

6. Please pick up children promptly at end of class. (Give us a call for flat tires, etc.) Children not picked up within 10 mins. of the end of activity: \$10 immediate fee plus \$1/min. thereafter. We reserve the right to drop from any of our activities any child whose parent does not pick them up on time. Minors are not permitted to leave the building without parents, so please come into the building to pick them up.

7. These days the gym is closed. You will not get another notice: October 31 after 5pm, 12/31/18, 1/1/19, 4/19/20/19, 5/27/19. These days can be taken as makeups. If you cannot possibly schedule a holiday make-up during your eight week session, you may schedule the missed class from June 15th to July 15th 2019. You can also use the credit towards the fifth Session or Summer classes. Please make sure you schedule your makeups in advance.

We are also closing: 11/22-25/18, 12/24-30/18, 7/4-7/19, 8/31-9/2/19 which has been figured out of the sessions so there is no need to make up these dates.

Snow Days: If we close the gym for any reason we will not call you but we will put a closing message on [www.kidsfun.org/calendar-hours](http://www.kidsfun.org/calendar-hours). Click on the date on the calendar to see if we are open. We will also send an e-mail to the address you provided. All this is contingent on our having access to the internet during the emergency. If we are closed, we handle the missed class the same as we would for a make-up. If we are open but you don't like the weather, please just stay home & we will gladly give you a make-up as we would for an illness.

8. Reregistrations are due 3 weeks prior to the start of the new session. Any payment not made by that date will be treated as a drop and we will feel free to fill that spot with a new student. Any reregistrations made less than 2 weeks prior to the new session are charged a \$2.00/child late fee for processing. Please remember to reregister on time.

Sessions: 9/6/18-10/31/18, 11/11/18-1/5/19, 1/7/-3/2/19, 3/4/-4/27/19, 4/29/-6/22/19. Summer Session for gym classes begins 6/17/19. E-mail required to receive further notices.  
Reregistration deadlines (3 weeks prior to new session): 10/10/18; 12/8/18, 2/9/19, 4/6/19.

9. Students who register after the start of a session must pay for a full session and then either makeup the missed classes before the session ends, or pay for the balance due to finish the following session by the registration day. Students who do not do so will lose the balance of classes with no refund or credit. **SESSIONS ARE NEVER EXTENDED FOR ANY REASON.**

10. Those with casts, stitches, sprains, strains, rashes, contagious illnesses, or those who are experiencing pain while participating may not participate. No one may participate in any KGC activities when using narcotics, alcohol, cold medications, pain killers, anti-inflammatory or any other medication or substance which could impair their physical or mental abilities. Parents are asked not to enter the gym without the direct supervision of our staff and to always remain off the apparatus & mats. We reserve the right to terminate or restrict participation or enrollment for anyone if we believe it is in the best interest of KGC, Inc.

11. Medication/Special Needs Meeting Dates & Deadlines: Those with Special Needs must arrange a meeting with KGC Director no less than 30 days prior to participation, although 60 days is recommended. Generally, parents of children in classes, who require medications, choose to remain in the building at ALL times with the medication in case it is needed. If the child is to be left w/o the parent, such as during day camps, further meetings and staff training with the parents are required, and medical documentation forms must be in our hands at least 30 days prior to participation. Meeting dates/times are assigned and are not negotiable. There are additional FIRM deadlines and requirements regarding medications, to protect the children and our staff, so see details at [mykidsfun.com](http://mykidsfun.com) (special needs). Minors found to be in possession (in hand, in their belongings, etc.) of any medications of any kind, shall be immediately dismissed from the program with no refund and no further warning. This includes, but is not limited to, inhalers, epipens, over counter meds, prescription meds, therapeutic lotions/creams, test kits, etc. Please avoid sending peanuts or peanut products into our building.

12. Certificates & Trophies: To get the most out of our curriculum we strongly suggest students continue with the program for the entire school year. It is very difficult to provide consistent instruction when children skip 8 wk. sessions in mid school year. To encourage gymnasts to participate for the entire school year and to reinforce progress every gymnast (except 15-35 months) will receive two certificates of recognition as a free award from K.G.C. during each eight week session of the school year. We will cover all events during the course of our 40 week curriculum which starts in Sept. & runs through June. Please try not to miss any of the 8 wk. sessions! School age students (not Tumble Tykes) will also be eligible, if they participate for the entire school year, for our SPRING FLING GYMNASTICS PARTY on May 18, free of charge, where they will receive a free trophy. The WINNERS ALL MEET for all Developmental Students is on June 1. Please see the Gym Mgr. for important details or if you are starting after the first 8 week session.

13. Regardless of what you may be told verbally by any employee of Kehler's Gymnastics, Inc. these rules will always be strictly enforced to protect the safety and quality of our program. Verbal promises of our staff will not be enforced by the Management. **Photos of our customers may be taken by our staff during activities for gym displays, crafts, web site, or press releases, advertising, etc. By signing this form the parent agrees irrevocably to permit use of these photos by KGC Inc. \*Working phone and e-mail address required for each customer to participate.**

Responsibilities of the Participant

1. Appreciate the Risk. Participation in gymnastics, rock climbing, and other activities, even under the best conditions, carries with it a reasonable assumption of risk. Appreciate the fact that improper conduct of this activity can result in catastrophic injury, paralysis or even death.

2. Be Supervised. Every gymnastics session should always be supervised by a competent professional. Never participate in gymnastics without proper supervision.

3. Dress Appropriately. Always dress in terms of the learning/performing situation. Use chalk, rosin, handgrips, ape, protective body equipment, etc., where appropriate. When in doubt, consult your instructor.

4. Double Check Equipment. Before every session, be sure that the apparatus is in proper working condition, is correctly aligned, and is adjusted according to individual needs. Also, be sure to have adequate and properly placed matting. When in doubt, consult your instructor.

5. Communicate Clearly. Establish a clear, accurate communicative link with your teacher/coach. Make certain that both of you know exactly what, when, where, how and why the skill is to be performed and/or spotted.

6. Be Prepared to Participate. Be sure that you are physically, as well as psychologically, ready to perform. Total fitness is a fundamental prerequisite to safe practices in gymnastics.

7. Master Basic Skills First. Follow a definite progressive pattern in skill learning. Master first those basic skills that have the broadest application to the more complex skills.

8. Know the Skill. Be sure to have an accurate visual concept of the full potential of the skill. Know how to initiate, execute, and complete the entire movement. Develop an awareness for the more critical aspects of each skill.

9. Always Follow Through. Once you commit to and/or go for a skill, always follow through to its full completion. Be keenly aware that a prime consideration is protection of your head and spinal column.

10. Know Your Limitations. Develop a healthy awareness and respect for your individual limitations in learning and performing gymnastics, rock climbing and other activities.

**I have read all the above information and understand it all and agree to all the terms. I realize that these rules are important and therefore will not ask for any exceptions.**
