

**Pat's Pizzeria supplies the Food & Beverages ...
Kehler's supplies the party fun ...you just supply the kids!**

Kehler's allows you to choose the food items YOU prefer from the contracted menu. We will then add those items to your party bill.

If you are on a budget, you can even bring your own food items with you, although electrical appliances and warmers are not permitted.

We do not believe in forcing parents to pay for "a free slice of pizza" for each child. At Kehler's, YOU Choose what is best for your family, and save money!

Delivery from outside vendors not under contract w/ KGC Inc. is **NOT permitted.**
