

Kehler's Gymnastics Classes

Celebrating 40 years of Quality Instruction!

Tumble Tykes

Girls Gymnastics

Boys Gymnastics

We are very pleased with the progress we made this summer in dealing with the new guidance from the CDC and the PA Dept. of Health. We completely restructured our activities to provide a safer environment for our students, and the response from parents has been very positive.

Now we hope to build on that experience and provide an environment that allows our students to enjoy the gymnastics classes that are so important to their physical and psycho-social development, while doing so within a new paradigm of social distance and small group cohorts.

Learning stations have been redesigned or altered to allow children more room to distance from others.

We have always been known for having the smallest groups of students, averaging only 4 to 6 per group, as compared to other gyms, 8 to 15 per group, so creating small cohorts, as per the CDC, comes naturally to our program. But this year, as with our summer program, great care will be taken to prevent cross over between groups, to limit exposure. See our website for more details.

Most classes have more than one instructor with class divided by age and ability into small cohorts.

Boys: Classes marked with ☆ suggested for boys K-6th Grade.

(Until CDC guidelines are lifted some boys and girls may be combined into the same cohort)

The Kehler Family Promise:

We promise to give your family the same caring, quality instruction that our students have received for nearly 40 years. All of our professional instructors are KGC Certified. Our groups are kept small, with only 4 to 6 children per instructor.

If you have questions, please call us. Our family is here for your family!

DEVELOPMENTAL
GYMNASTICS

Elementary through High School.

In these one hour programs we usually separate the classes by grade level to allow the children to be with their peers & friends. Within the class we usually divide them by ability.

As with all of our classes the gymnasts participate on all Olympic events & trampolines. This is the best class choice for Kindergarteners who are unable to attend Tumble Tykes.

BOYS

Kehler's has the only full Boys Gymnastics Program in the area. We have multiple sets of men's gymnastics equipment and the best boys' instructors in the area, teaching several hundred boys each year.

Summer & Holidays!

Gymnastics, Survival Island Rocks & Ropes Challenge, Karate, Trampolines, Arts & Crafts, Games, Kids Fun Factory, Mini Golf, & more! Boys & girls 3- 13 years of age. Family Friendly Prices! Half the price of other camps.

Holiday Camps: Thanksgiving Friday, Winter & Spring Breaks, ML King, President's Day.

Safety First: KGC Covid Protocols

KGC has had great success during the Summer of 2020, protecting our children and staff. Building on that success, we have designed new School Year Protocols on the CDC guidelines and our discussions with the local Department of Health. Students will practice social distancing and be placed into small cohort groups as part of our safety measures. Masks are suggested but not required for those under 13 years. Each family is required to agree to the Protocols and details are available at www.kidsfun.org.

SAFETY, FUN, LEARNING!

TUMBLE
TYKES®

This is the premier preschool gymnastics program for parents who really want the best for their child. Children are introduced to the joy of sports & real gymnastics through innovative games & activities. We use fun & exciting lesson plans that are developed by our certified staff. Limited class size. 45 minute lessons. Yes, these kids do bars, beam, trampoline, etc. Just wait and see what we can teach your child in Tumble Tykes!

Tumble Tykes® Class Descriptions:

3yrs.- Kinder: Usually we divide this class into different groups by age so any child between 36 months and 5 years can register for this class.

15-35 months: November enrollments are now being accepted. The Parent/Tot program is being postponed until the 2nd 8 week session beginning in November, to allow us time to safely initiate the Covid Protocols with our older students first.

Tumble Tykes® FREE PLAY GROUPS!

We are rolling out our programs in stages, as we work to follow CDC and PA Dept. of Health guidelines, so at least initially, the Kids Fun Factory will be closed temporarily.
