## **Summer Camp Discount Deadline Extended to June 5th!**

### **NEW PROTOCOLS ARE IN PLACE FOR 2020**

As we approach our 39th year of running summer camps, we have appreciated your patience and understanding this spring while we all collectively waited for the stay at home order to lift in Delaware county. As of May 30th, the state has decided to allow summer camp although we are still in the yellow reopen phase. The instructions from the CDC and PA Department of Health are each many pages of rules for camp protocols. We have been working together with the local health department to interpret the instructions and set up a program that keeps the safety of campers and staff as the highest priority and allow us to open. We are still planning on full day camp with some changes for this summer.

Camp size will be reduced, so spaces will be very limited. We are starting at 25%, and hope to increase available spots eventually.

No Parents are permitted in the building. For those who have not yet completed Permission Forms, we will send you instructions soon, to keep contact with our staff to a minimum.

Deadline for special needs paperwork expired on 5/26/20 as per the website and registration forms, so thank you to those who completed that paperwork on time. At this time, we are not able to take additional campers who need medications (i.e.: inhalers, epipens, etc.) for this summer.

We will be opening for our first week of camp on 7/6/20 to allow for preparing our facility, and training staff on new protocols.

FULL Day (9-3) camp will be the only option this summer.

NO EARLY or LATE CARE available until further notice as the rules for camps do not allow mixing between groups or staff whenever possible.

Details on changes we are making to follow CDC and Dept. Of Health Guidelines will be posted on our website and will be updated as necessary. These will include additional responsibilities for parents to observe at home.

Directions for attire and drop-off and pick-up will be emailed prior to the start of camp.

We are extremely cautious about health and safety for children and staff, so we are moving very carefully as we plan. We want to set up the best protocols for everyone involved. Wishing your family safety and health. Check back if you have further questions. We are remotely monitoring voicemails but emails are best so we can respond more quickly. As more information is available in the next weeks we will continue to be in touch. This spring has not been usual at all, but we truly value your continued support and interest in Summer Camp at Kehler's.

Registrations after May 1st must pay in full at time of registration. Deposits or tuition are not refundable, unless camp is cancelled by KGC. Summer Gym Camp Spaces filled on first come basis. All campers must be potty trained.

Late Registrations : After the program starts, registrations will be accepted where available only. **Special Needs Kids paperwork due May 26, 2020.\***

Make up policy: There are no make ups or credits or refunds for missed camp days regardless of the reason for missing camps. (Please note: Summer make-up policy differs slightly from the school year policy listed in our rules. Please wear bare feet to Camp this year. Ask for express drop off directions. Children should wear shorts and tee shirt. No wire rim glasses, zippers, belts, pockets, skirts, dresses, skorts, or gum. Tie long hair back. Full day Campers ask for Camper's Check List after June 1st. Children who are not following dress code may not participate. All Staff & Campers over 12 years must wear a mask. Masks are optional for all others, but recommended.

Special Summer Camp Parent permission forms signed after 2/01/20 needs to be signed to complete registration. (This is not that form)

Kehler's Gymnastics does not provide any food or candy to children but be aware that there are many foods sold in the snack bar which do contain peanuts. Campers are not permitted to share food so please remind your child to help us protect those with allergies. Please avoid peanut butter sandwiches and candies in lunch boxes. Social distancing will be practiced during lunch and on other activities as practical. We will avoid mixing groups to limit the exposure children have to others. See website for other safety protocols.

We are not always able to comply w/ requests for placing siblings or friends in the same group due to differences in age, temperament, etc., but we will do our best. All such requests must be made in writing at time of registration as groups are often prepared weeks ahead of time.

Summer program runs 7/6/20- 9/4/20. E-mail for information.
