Safety Is Our First Priority!

Because of the current health concerns there are many changes we have put in place to keep everyone safer. The full description is available on our website, but here are just a few based on the CDC.

- 1) To limit exposure, students will be placed in very small group cohorts as per the CDC. (average 4-6)
- 2) Everyone is encouraged to wear a mask, but all those 13 and over are required to wear a mask covering nose and mouth.
- 3) Only those who are registered for the session may participate. To limit exposure, weekly walk-in participants will not be permitted.
- 4) Social distancing measures will be part of the weekly lessons.

Choose the class that's right for you:
